(b) No employee lost his job as all the employees in the above suspended/closed mines were suitably re-deployed in the other mines/ departments.

(c) Does not arise in view of reply to part (b).

(d) There has been no loss of revenue due to suspension/closure of above mines as the closure/suspension was on account of exhaustion of reserves, adverse geomining conditions or safety considerations.

Transmission of Pornographic Pictures through SMS

4504. SHRI R. SHUNMUGASUNDARAM: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) the steps taken by Government to prevent mobile users from taking illegal photography using their camera mobile phones;

(b) the Acts, Rules and Notifications that forbid the transmission of pornographic pictures through SMS; and

(c) whether Government propose to introduce a Bill to regulate or prevent the misuse of camera mobile phones?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) to (c) Integration of various devices in one device is an advantage provided by the advancement of technology by way of convergence of communication, computers and content. Camera mobile phone is one of such device. Use of camera mobile phone for taking pictures is similar to using any other miniature camera attached with other device such as camera in-built in a pen, camera in-built in a cigarette lighter etc. Therefore use of camera mobile phone solely depands on the user and offences such as taking illegal photography using camera mobile phone are covered under the existing laws of the land like Indian Penal Code etc.

BSNL Plans for Broadband Services

4505. SHRIMATI AMBIKA SONI: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether BSNL plans big broadband push in many States;

(b) if so, whether out of 198 cities being covered by State owned company for offering broadband services, 21 cities are from Southern States;

(c) whether BSNL is also rolling out broadband service aggressively in Maharashtra and Andhra Pradesh;

(d) if so, by when these plans are likely to be implemented and completed; and

(e) the total amount involved in these projects?
